MEMORANDUM FOR THE DIRECTOR, CENTRAL INTELLIGENCE AGENCY

SUBJECT: Expression of Appreciation

1. Exercise PRESSURE POINT 84 was conducted over the period 16-22 November 1983. The successful outcome of this JCS Command Post exercise was greatly enhanced by the very fine performance of [redacted] (NIO Warning), one of your dedicated and knowledgeable employees. This was the first time we have enjoyed the direct participation of an analyst from your Agency during a JCS exercise, and I feel that we benefitted greatly from his presence.

2. [redacted] worked as a scripter in our exercise Control Cell, where he simulated CIA crisis reporting. His excellent and enthusiastic support to exercise scenario development and refinement, coupled with his willingness to assist wherever possible, made him an outstanding addition to the Control Cell.

1. THETA-84-1, a politico-military simulation dealing with issues affecting national security, was conducted by the Contingency Simulation Division (CSD) of the Joint Analysis Directorate during the period 10-12 April 1984. 2. [redacted] Deputy National Intelligence Officer at Large, provided invaluable professional assistance to THETA-84-1 as the Captain of the Red A Team. The positive leadership, concise articulation of ideas, and exemplary civility with which [redacted] directed his team's deliberations quickly molded the diverse players into a cohesive unit and elicited their best efforts. His leadership produced an effective examination of very complex issues and led to the formulation of innovative and perceptive policy advice which will be of ongoing benefit to US arms control negotiators.
